Capacity-building
Capacity-building under the Kyoto Protocol

Capacity-building under the Kyoto Protocol

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) welcomed the summary report on the 3rd meeting of the Durban Forum on capacity-building.[1]

2. The SBI invited Parties to submit to the secretariat, by 18 February 2015, as part of their annual submissions pursuant to decision 6/CMP.2, their views on specific thematic issues relating to capacity-building under the Kyoto Protocol in developing countries, to be considered at the 4th meeting of the Durban Forum on capacity-building, to be held at SBI 42 (June 2015), as well as their views on the organization of that meeting.

3. The SBI also invited Parties to submit to the secretariat, by the same date, their views on the terms of reference for the third comprehensive review of the implementation of the framework for capacity-building in developing countries established under decision 2/CP.7. The review is to be initiated at SBI 42, with a view to completing it at the twelfth session of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) (November–December 2016).[2]

4. The SBI continued, but did not conclude, its consideration of capacity-building for developing countries under the Kyoto Protocol. It agreed to continue its consideration of the matter at SBI 42, with a view to recommending a draft decision for consideration and adoption at CMP 11 (November–December 2015).
